

FOAMplus® Premold

EFFICIENT AND SECURE

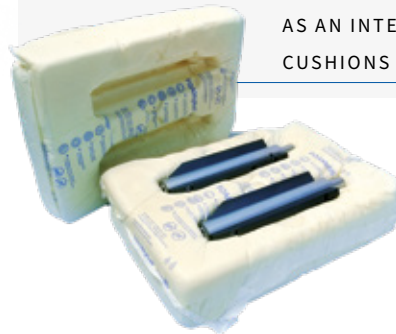

FOAMplus® Premold IS READILY AVAILABLE MOLDED AND PREFORMED PROTECTIVE PACKAGING.

FOAMplus® Premold Polyurethane Cushions from Storopack offer a sound choice in preformed protective packaging. With our efficient, cost-saving mold design and creation process, secure custom fit product protection, and the prospect of faster, easier packing, you benefit from multiple improvements to your packaging process. Our custom engineered Premold protective packaging is designed to reduce dunnage and minimize package size for dimensional weight efficiencies. Each Premold solution provides you with economic and accurate, custom molded packaging even at lower quantities.

Conscientious design combined with maximum product protection: Storopack's efficiently designed Premold tools ensure the ideal protective packaging for your needs.

FOAMplus® Premold AT A GLANCE

	▶ MOLDING STATIONS ARE ALSO OFFERED AS AN INTEGRATION TO PRODUCE CUSHIONS ON-SITE YOURSELF

STOROPACK - PERFECT PROTECTIVE PACKAGING

Wherever in the world you send your products, we want them to be well protected while in transit.

FOAMPLUS® IS HIGH-PRECISION PACKAGING, LIGHT AS A FEATHER.

Our FOAMplus® packaging system protects your products using true-to-contour padding made of shock-absorbing polyurethane. Foam padding from Storopack is as resistant and robust as it is lightweight, reduces transport costs and can be re-used for the same products.
